

Dear BAPO Member,

We hope this letter finds you well. The British Association for Paediatric Otorhinolaryngology is a guest society at this year's American Society of Pediatric Otolaryngology – HNS meeting, in Seattle, Washington (<https://www.aspo.us/annual-meeting-members>) from April 9-11, 2027. This year ASPO-HNS is part of the Combined Otolaryngological Societies Meeting (COSM). ASPO-HNS' mission is to foster excellence in the care of children with otorhinolaryngologic disorders by promoting education and collaborative research and to share and disseminate advances and innovations in patient care. Your participation would help us achieve our mission but also gives us the opportunity to learn from you!

If you are interested in submitting an abstract, the abstract submission deadline is October 2, 2026 (<https://form.jotform.com/Lizeokeyfe/2027-aspo-hns-annual-meeting-abstract>). Please see the guidelines attached to this email if you are interested.

Thank you for your time and we really look forward to meeting you in April!

Sincerely,

Margo McKenna (ASPO president)

Samantha Anne (Scientific Program Chair)

Nikolaus Wolter (International Committee Chair)
